

# NIHES Fall schedule 2021

Please note that all fall courses mentioned in this schedule will be offered online. All courses cover a full-time workload.

The courses LLS05 and LLS07 will be added as soon as possible between 13-24 December 2021.

The core competences exam (required for NIHES programme students) will be organized in early January.

|    | AUGUST |   | SEPTEMBER             |   | OCTOBER               |                        | NOVEMBER                          |                                       | DECEMBER                              |    |
